Foreword Message from President

It has been 14 years since we started our foundation with the aim to help the underprivileged community by providing them Capacity building through various skill development courses, education, and livelihood. As I look back I am happy with the progress and growth we have made and I hope we will grow even bigger and better and do our part towards contributing to the society. It gives me immense pleasure to say that I work with the same zeal and Enthusiasm as I did when I started and so do all the members of the foundation.

With every Passing year as the needs in our mission is growing so are the challenges we are facing, but the efforts on all of our parts are doubled and we are giving our best to mobilize the resources we need. One of the most important things that have kept us going is the smile on the face of our beneficiaries and their words of gratitude. The annual report for the financial year 2019-20 will provide you with our journey in the past year and the Progress we have made so far. We have some exciting ideas/projects to work on this year and with all our joint efforts I hope it will be a success.

I am confident that AVSK will continue to work successfully to bring relief to those who suffer from the triple burden of poverty, and discrimination.

With Warm Regards,

Secretary

Foreword Message from Secretary

AVSK enters into its 14th year with a remarkable confidence. With sharpened clarity on approach and improved knowledge and talent base, the organization is poised to leap ahead to cover other untouched marginalized Group. With the turn of this year, AVSK proud to present its Annual Report 2019-2020, which provides you a glimpse of what we did and achieved this year through our synergized effort. This year too, reaching the most marginalized section of our society. In the process, we successfully touched 2000 young lives through various skill projects spread across the Districts of Bihar.

We put our effort in new project like biodiversity in this year and collect some base line data of various species and also concern topic of connection between biodiversity and Livelihood.

In this year our team collects data for livelihood Mapping of local artisans for upcoming opportunity for them.

Finally, I would like to thank all the staff members of AVSK who stood with us to provide all support and to show their excellence in work.

With Warm Regards

Organizing Health Camps

Health Camp is one of the most important features of the scheme. Health camps are done with an objective of bringing awareness among the rural masses about the diseases they are suffering from and providing free medical advice and medicines. It helps in early detection and prevention of diseases.

Objective of Health camps is to screen the patients, give health related awareness, distribute medicines to treat common diseases and refer, as the case may be for surgery/treatment.

AVSK organized various health camps and Blood Donation camps at Kaimur Bihar.

Pulse Polio Drive

Pulse polio program- The pulse polio immunization program forms the largest single-day public health project. Pulse means a dose of a substance (here polio vaccine) especially when applied for a short period of time. It was conducted for the first time in 1995. The program uses the oral polio vaccine or OPV. The Pulse Polio Initiative was started with an objective of achieving hundred per cent coverage under Oral Polio Vaccine. It aimed to immunize children through

improved social mobilization, plan mop-up operations in areas where poliovirus has almost disappeared and maintain high level of morale among the public. AVSK organized Pulse polio drive at kaimur. Almost 300+ children benefitted through this program

Health & Family Welfare Program

There is a need to create a safe and loving environment where HIV/AIDS patients can lead a normal life without being out casted. The National AIDS Control Program (NACP) has made efforts to increase awareness and reduce the risk of infection.

Networking Service for Community Participation working to enrich the lives of affected by HIV/AIDS and provides shelter to orphans. They also inspire other patients to fight the disease through various initiatives.

We run a program to provide underprivileged HIV+ patients with adequate nutrition to help people battling HIV/AIDS with stand strong medical treatment and help them through recovery.

Help to raise awareness about the disease and forms of combating it to avoid social stigma and reduce anxiety among individuals in society. In the absence of a cure, prevention has become the principle strategy of dealing with the HIV/AIDS problem.

Population Control Program

Population Control

- **Population control:** Limitation of pop. growth through contraception, sterilization, abortion

India's Approach to Population Control

- Growth rate in India has remained the same since the 1950s
- India's pop. was stable until 1921 when sanitation, famine, and epidemic programs were taken

World Population Day is observed every year on July 11 to raise awareness about global population issues. The major purpose of this day is to raise awareness of all the negative impacts that population growth has had on the steady development of nature. Globally, this day is celebrated by organising seminars, discussions, educational sessions, public contests, slogans, workshops, debates, songs, etc AVSK Always put their effort in these types of activities we have organized

population control program at Kaimur, Bihar.

Farmer Training Program

Training to farmers including field. demonstrations; Capacity building of stakeholders /farmers through field visits on concept of Integrated Farming, Climate change adaptation, Good Agriculture Practices on soil, water and crop management. Agricultural education helps them to incorporate the current scientific advances and technology tools in their day to day operations. Once they are well educated and trained with these tools, it enhances their way of operating and thus increases their efficiency in this field that leads to Reduced food contamination. AVSK organized Farmer Training Program at Kaimur . In this program 300+ farmers attended the program.

Environment Awareness Program

AVSK organized environment awareness campaign throughout the year. Our aim is to make people aware about the necessity of having and nurturing a clean and green environment. We have organized plantation programme. Trees are nature's most generous gift to humanity. They give us oxygen, rainwater and fuel; textiles paper and wood; shelter and shade; fruit to feed our bodies and beauty to nourish our souls - as well as removing pollutants and CO₂ from our atmosphere. Planting trees is one of the most useful activities we can done. Plantation campaign should be most important thing in the present and future times to save the environment and society.

Blanket Distribution

We are providing winter blankets to needy people living on the streets every winter. Our organization runs Blanket Donation Campaign, where we provided high-quality warm blankets to the underprivileged living in kaimur district at Bihar.

There is no better gift than providing warm clothing to the needy during the winter season.

Lakh's of homeless experience bitterness of winter and are at great risk of suffering from severe illnesses, but at the same time, it has given us an opportunity to serve humanity by donating blankets to the needy. There cannot be a bigger satisfaction than saving someone's life
